Summary

Blah, blah, blah.

We three sit in the grid.
Like spades hanging in the wind.
Falling down.

concrete poetry is a concrete

Circular arguments go round and round, they don't go down the page like this, hence this is not a circular arguments go round and round, they don't go down the page like this, hence this is not a circular arguments go round and round, they don't go down the page like this, hence this is not a circular arguments go round and round, they don't go down the page like this, hence this is not a circular arguments go round and round, they don't go down the page like this, hence this is not a circular arguments go round and round, they don't go down the page like this, hence this is not a circular arguments go round and round, they don't go down the page like this, hence this is not a circular arguments go round and round, they don't go down the page like this, hence this is not a circular arguments go round and round, they don't go down the page like this, hence this is not a
